YOUR SPONSORSHIP SUPPORTS PRC PROGRAMS

PRC Programming includes exhibitions, educational programs, artist talks, book signings and special events like our **Moving Pictures a day of film and conversation**. All of our programs are designed to support the advancement of the artists and photographic arts.

Our exhibitions emphasize new ideas in photography, ranging from provocative theme-based exhibitions to highly anticipated, juried exhibitions like **EXPOSURE**, and our annual **PRC Student Exhibition**. **PRC Nights** is an informal, free monthly event for members to share and discuss their work and process. Other ongoing programs include the annual **PRC Speaker Series** featuring internationally recognized artists speaking on a broad range of topics from art to culture, identity, and society. At the PRC we are committed to creating and maintaining a diverse, inclusive organization. We strive to be a place where all artists belong.
